

SOLDIER MARATHON RELAY

[Course Map](#)

Start and Finish Elevation is 275'

Highest Elevation Point is 350'

Lowest Elevation Point is 220'

Start Time: 7:00 am ET

The relay marathon course will be the same as the Full Marathon. See the Full Marathon page for more details about the course.

Relay teams will consist of up to 5 runners. There can be no more than 5 runners but if there are less than 5 then one or more of the team members will have to run multiple legs of the race.

Registration fees for a team will be \$150. Each member of the Relay Team will receive a t-shirt and a finishers medal.

EXCHANGE POINTS

The FIRST Relay exchange is at mile 5.8 (a leg of 5.8 miles)

The SECOND Relay exchange is at mile 11.3 (a leg of 5.5 miles)

The THIRD Relay exchange is at mile 15.9 (a leg of 4.6 miles)

The FOURTH Relay exchange is at mile 20.5 (a leg of 4.6 miles)

The FIFTH and final Relay exchange finishing at the finish line at 26.2 miles (a leg of 5.7 miles)

TIMING

There will not be a timing mat at each leg of the relay. So the timing chip will only be on the last relay runner so that his/her finishing time will be recorded. The individual relay runners will have to keep their own time for each leg if they wish to see how fast they ran a particular leg.

TRANSPORTATION

The Relay teams will have to provide their own transportation between exchange points.

RACE START

The race will start at 7:00 am. There will be a gun start for the Relay teams since the first Relay runner will not be wearing a timing chip. The Relay teams will start at the same time as the Marathon and Half-Marathon runners.

Registration for the relay is now on [Active.com](https://www.active.com).

We will provide additional information as we get closer to November 13th.
